

At a Glance: CAREGIVING PARTNERSHIP

Jacqueline Neber and Amanda D'Ambrosio October 24, 2023

CAREGIVING PARTNERSHIP: VNS Health has partnered with technology solution firm Helpful to make it easier for caregivers to access their loved ones' information, the companies are announcing today. Caregivers will be able to see medical records, insurance information, doctor's visit summaries and care plans through the Helpful app and VNS Health will track how members' benefit utilization changes over time. The partnership aims to increase support for caregivers.
