

# Shannon Whittington

*Doctor of Nursing Practice Degree Program  
Healthcare Systems Leadership Specialty Track  
Chamberlain University*

## 2022 DAISY Post-Licensure Student Recipient

Shannon demonstrates a commitment to caring and advocating for quality care for the LGBTQ community. As a speaker and certified LGBTQ health expert, she provides insight and skills for organizations to promote diversity and inclusion. Shannon is also a mentor for several students in the BSN and MSN program. She takes a personal interest in those she mentors but also motivates the students to find their own path and carry those traits of a Chamberlain Care student.
